

1. Where can i get cheap wow gold of my experience?

Summary : We can do nothing on wow without [world of warcraft gold](#), which can be used to both sell and purchase items, so how can you get cheap wow gold nowadays?

As we all know, World of Warcraft is surely one of the largest Massive Multiplayer Online Role playing game in the world of the game industry. People who play World of Warcraft know that you simply can't enjoy the game without wow gold. I think the fastest way to get wow gold is buying wow gold online. Finding out where you can **buy wow gold** is easy enough these days. Buying WoW gold has become a popular internet activity. Although there is a lot of [wow gold](#) selling sites, which site is reliable? Especially for the people who don't buy wow gold before. At this time, you should pay more attention to the site you choose. There are so many scams online. So i would like to share some experience of buying wow gold with you and i hope it will be helpful to you.

We can do nothing on wow without wow gold, which can be used to both sell and purchase items. There are many individuals, maybe yourself included, who are constantly defeated due the lack of weapons which are only obtainable with the right amount of wow gold. If you search online, you will find so many wow gold selling sites. However, we don't know which one is trustable. We can make comparison firstly about their price and their delivery time and so on. Although there are many famous sites who are reliable, they will not send wow gold as soon as possible as there are a lot of orders in their sites and you have to wait for such a long time. As for me, i would like to choose the site who will deliver for me in just a few mins. I never [buy wow gold](#) from just certain site because i have been looking for a perfect site. Some sites who promise that they will send in just 10 mins, however, i waited for 10 days. It is really ridiculous!

One day,when i was in a hurry to buy some wow gold, my friend recommend a perfect website to me ----[www.wow-gold-team.com](#). He said he bought wow gold from wow-gold-team every time. So i logged on their site to have a look. Wow! Their price is really the lowest i met. The most important feature of wow-gold-team is that you can check their stock in every server on their site before you order, which is 100\$ correct. So i decided to have a try on such a perfect site. Their guys are so kind to me,and they have patience to every client. I got all my wow gold in just 7mins. They choose the face-to-face delivery way which is the safest way. Some sites may choose the way to mail your wow gold which is unsafe and your account may get banned by Blizzard. They also promised me that i will get full compensation if my account get banned for buying wow gold from their site. So I feel safe to deal with wow-gold-team. I think the most important factors of buying wow gold is the safety, the price and the speed. wow-gold-team really meet all my needs.So many rip-off websites now, we should be careful to buy [cheap wow gold](#) from some sites. wow-gold-team is a reliable site i often buy cheap wow gold now.

Now i am the VIP customers of wow-gold-team, so i can get a much lower and lower price as the time i buy. If you are also in a hurry to find a reliable site, i am sure wow-gold-team will not let you down. You can buy cheapest wow gold in wow-gold-team safely and fast. Why not have a try?

3. Some Practical suggestions on how to buy WoW Gold

As we all know, gold plays an essential role in the game. If you're a wow player, and you want to make as much **world of warcraft gold** as you can immediately, then here are some good suggestions which may be helpful to you: you can buy some big bags as soon as you can. Even at level 1 or 2, make sure you have four bags with as many slots as you can afford. If you have a higher level character on the same server, save all your old bags for your new character. The more bag space you have, the longer you can farm without having to sell. The longer you can farm, the more items you can receive. To start out with, at level 5, pick two gathering professions. They can include: herbalism, mining, and skinning. Go around gathering all the plants, minerals, or skins that you can and sell them at the auction house. You can move on to enchanting, leatherworking, blacksmithing, tailoring, or jewel crafting later on. But for the time being, stick with gathering and selling. Save all the green, blue, and purple items you get from drops and disenchant them whenever you decide to take up enchanting. A lot of dust and other enchanting materials can be sold for a lot of [wow gold](#) at the WoW auction house. It is well known that farming wow gold is really a boring job. It is really a waste of time and energy.

Here I have another good suggestion to you: you can buy [cheap wow gold](#) for powerful weapons and equipments on wow. You must have heard about world of warcraft gold store. These wow gold store is selling wow gold for players who don't have enough time but need a great amount of wow gold.
