WoW(world of warcraft) is a massive-multiplayer, online role playing game which is popular all over the world ---many players play on a regular basis. People of all ages play WoW in a number of different countries. Everybody wants to be part of Azeroth these days, and there is no doubt that this game is exciting, entertaining, and enjoyable.I believe everybody wants to have an elite character, however, the players need a lot of [WoW gold](#) to buy equipments , items and so on. So many WoW players decide to [buy WoW gold](#) from online sites now, but some players are banned from Blizzard for buying WoW gold, which is because he choose a unreliable, rip-off or unsafe website.

As a WoW gold buyer, you should beware of so many rip-off websites online, which just want to cheat your credit card information and then cheat your money. As we all know, farming WoW gold is really a boring job which waste time and energy, however, do you know how to choose a reliable website online? Here I have a guide for you. *Firstly*, you can search online, and you will find a lot of WoW gold selling sites, and you can log on their sites and see if they are full of contents in every aspects of WoW, if they often update the news on their sites and so many aspects you can judge from. I think the rip-off sites will be very simple and they don't often update their news. *Secondly*, choose a tested & certified website to keep you safe from identity theft, credit card fraud, spam, viruses and rip-off.You should remember the only details you'll need apart from your payment details, are the character name, the server name, and the realm. You do not need to supply your login name or password under any circumstances. *Thirdly*, you can talk to the live-chat in the site, and see if they provide the 24/7 service. The good websites will provide you the quality service.

As for me, my favorite WoW gold selling website is [wow-gold-team.com](http://www.wow-gold-team.com), which is a professional WoW gold sale store. There is a huge stock of [cheap WoW gold](#) on all servers for sale on wow gold team and the best is you can query for the stocks on the site of wow gold team, and the price of WoW gold slashed to the bottom on all servers now.
